RE: BUILD Grant-Federal Wage Rate Certification

Dear Secretary Chao

The City of Warsaw and Benton County, as the State Aid Agency for this project, will comply with Title 40, United States Code (Federal wage rate requirements) with respect to the applicability of Davis-Bacon and Related Acts requirements as stated in Section V, Part C, Construction and Contact Administration, of the Stewardship Agreement.

If the City of Warsaw is awarded a BUILD Grant for the Warsaw Livable Community, we will require all prime and subcontractors to meet Federal wage requirements.

Respectfully,

Randy Pogue
